Technology tools and resources to create a healthier community

Learning management system

Wellness and fitness goal setting

Interactive gaming

Tracking tools and resources

FORCE FOR HEALTH

SUPPORTING HEALTH ACROSS THE COMMUNITY

DATA INSIGHTS AND POLICY

Quizzes and surveys reveal key insights about the community's health needs and highlight areas for policy and education improvement.

INFRASTRUCTURE

Many health services and programs already exist in the community. A comprehensive directory helps residents more easily connect with those services.

COMMUNITY ORGANIZATIONS

The Force for Health aims to provide resources to guide the execution of meaningful projects to improve the community.

FRIENDS AND FAMILY

Online courses, blog posts, and quizzes allow individuals to improve their own health literacy and provide an opportunity to share the resources with others.

INDIVIDUAL

An individual's health journey can be evaluated based on social determinants such as housing, food, safety, education, and transportation.

MODULAR TOOLS HELP AT ALL LEVELS
